

Bebhinn's ("Bevin's") Pride

*Sung to the tune of "The Ants Go Marching"

By: Dre' Monson--From the Shire of Inner Sea

This song is in honor of Lord Helgi Moosebane's victory in the Bad Baroness tournament and his service to Baroness Bebhinn Inghean Ui Siodachain.

Ch. 1 **Helgi knocked his opponents down Hurrah! Hurrah!**
Helgi knocked his opponents down Hurrah! Hurrah!

V.1 Becoming a squire that very same day,
In Bad Baroness he decided to play

Ch.2 **And his sword went crashing down**
On the field
And his hair,
It is real.

V3. With a fierce introduction to live up to
Helgi was focused the whole way through

V4. Fighting with honor and dignity
He forced his opponents onto their knees

V5. Helgi knocked his opponents down
With his prowess he impressed the crown

V6. Undefeated in battle, I do not jest,
Helgi and "Bevin" are the best
FOR THEY WON BAD BARONESS!
