

# I'm a Duke and You're Not

Words and Music by Thomas Bordeaux

Key of C

Well I've heard some people talkin'  
'Bout the high road I've been walkin'  
Well it's really more about the things T  
That I can't live without  
I've got the finest clothes their makin'  
And the greatest care I've taken'  
Not to dress like those below me  
Yeah you who used to know me  
Won't believe the things I've got  
'Cause I'm a duke and you're not

## Chorus

I'm a duke and you're not  
I can throw those option shots  
I live the sound of ringin' mettle  
Hey there's one more for the kettle  
I'm a duke and you're not  
Come and get it while it's hot  
You set 'em up I'll knock 'em down  
Pound those guys into the ground  
I'm here to show you what I've got

F                    G                    C  
'Cause I'm a duke and you're not

When it comes to heavy fightin'  
There some things I really like  
First there's the fact that I'm the winner  
I never have to buy my dinner  
It doesn't matter what I'm sayin'  
It's my word they'll be obeyin'  
'Sides most people are just weenies  
All my queens where string bikinis  
I am really hot to trot  
'Cause I'm a duke and you're not

Chorus

Now those other peers they thing they know  
A little 'bout the kingdom  
And they way that things should be  
Yeah but if they did they'd see  
That it's the fighting men that matter  
And the world would surely shatter  
If I didn't play the game  
Things would never be the same  
And that's why I'm at the top  
'Cause I'm a duke and you're not

Chorus

Now I've heard that somewhere out there  
There's this guy who likes to sing  
Who likes to tell his little stories  
Oh and wait there's even more  
He's got this little song he's singin'  
'Bout some fighters that he's zingin'  
And some say that one's about me  
But I won't give them cause to doubt me  
There's no reason to get hot  
'Cause I'm a duke and he's not

I'm a duke and he's not  
He can't block my option shot  
He doesn't even have a Cressent  
On the field he isn't present

I'm a duke and he's not  
And all he can do is natter  
He can have his chitter chatter  
Of the things that really mater  
He's a little I'm a lot  
'Cause I'm a duke and he's not

### Chorus
