

## MUTE ME IN THE BARDIC

Lyrics: Dorothea de Beckham (Dee Becker) (© 2021)  
Tune: Bully in the Alley

Oh, Breakout Room, it's mute me in the Bardic  
**Way hey, mutiny in the Bardic**  
Crash bang boom, oh mute me in the bardic  
**Mutiny down in Soundings Hall**

Oh, I know a gal, she sings so pretty  
You ask for one, she'll sing you twenty

Oh, I thought I heard we'd mention it daily  
Cast a' nets and dance like crazy

Echo here and feedback shrieks  
A feast of static and stutter delays me

Ride the waves of volumes changing  
Silence now, but not for lack of banging

Pin the cat and watch him swaying  
Toggle back and see who's saying
