

## **Zoom Bardic**

*From an offhand comment from Declan of Lochac, 6/18/2020*

*Lyrics: Dorothea de Beckham (Dee Becker)*

*Tune: The Brady Bunch*

Here's the story, of the S C A,  
Who were draggin' on plague-ee quarantine,  
All of them had lots of friends, liked each other,  
And none of them were tame

Here's the story, of a Zoom Bardic.  
Or was it Discord, Teams or something else?  
There were windows, so many windows  
Who's unmuted clanking bells?

Until one day we got to meet with each other,  
And we knew that it was much more than a hunch,  
That this group must somehow form a family.  
That's the way we became the Zoom Bardic

The Zoom Bardic  
The Zoom Bardic  
That's the way we joined the Zoom Bardic
